Additional information

Certified copies of the National ID card (or Passport or Driver's license) and Ante nuptial contract will be needed for company incorporation at OBFC. Certification of the copy may be done upon presentation of the original document by a lawyer or a notary (with fees) or by an entitled public entity for free (eg. Police).

We take the example of a private practice (C.T. POOPA Consulting Attorney and Notary Public). The applicant gives the original documents and the simple copies to the secretary. She brings them to the attorney who certifies the copies right away. The certified copies and the originals are then returned to the user.
