https://lesotho.regulations.org/procedure/print/36/28/step/60?showRecources=true&showCertification=true&i=en
Additional information

The license is issued for one year, then it has to be renewed. The manufacturing licences valid until 31 December every year.

Where the application is submitted on or after 1st day of September in any year, the licence fee payable shall be half the prescribed fee.

The officer prints and signs 2 original copies of the licence and puts the mention “copy” on one of them. The applicant will go and return the “copy” document to the manufacturing office for filing.
